CURRICULUM NEWS

INITIATIVE - Redhill Talks

Many of you may or may not be aware of Ted Talks. They are short (5-10 mins), powerful

talks given throughout the world via the internet. They can range from local to global issues and are important in that every talk must count - they must be ideas worth spreading. Next term Redhill would like to do their own version of Ted Talks and call it 'Redhill Talks'. If you feel like you could contribute, either now or in the future, please contact the office.

Date of first event - Friday 8th March.

Time to Talk

Redhill continues to set the pace in regards to social and emotional health initiatives. A new initiative called 'Time to Talk' will be in place this term. Pupils can visit The Den during breaks and chat about their worries, which then clears their brains ready to learn. Pupils will be encouraged to problem solve which will in turn improve their self-esteem.
